Finding Affordable Health Care
in Virginia

"I'M NOT ELIGIBLE FOR MEDICARE, MEDICAID OR FAMIS, BUT I STILL NEED HELP. WHAT NOW?"

Families and individuals who are not eligible for Medicaid, Medicare or FAMIS often are eligible for free or reduced-cost health care and prescription drug assistance offered in their own communities.

The organizations listed in this brochure can provide help with access to medical care and prescription drug services, even if you do not qualify for Medicaid, Medicare or FAMIS.

The Virginia Cares Uninsured Program can assist you if you're uninsured and have been diagnosed with chronic, debilitating, or life-threatening disease.
www.pafcares.org
Phone toll-free: 1-800-532-5274

The Virginia Bureau of Insurance offers information about health insurance plans offered in Virginia and help with resolving insurance-related problems.
www.scc.virginia.gov/division/boi/webpages/boiconsumer.htm
Phone toll-free: 1-800-552-7945

The Partnership for Prescription Assistance can help you, if you lack prescription coverage, to get the medicines you need through the public or private program that's right for you.
www.pparx.org
Phone toll-free: 1-888-477-2669

The Co-Pay Relief Program provides you with direct prescription co-payment assistance, if you are an insured U.S. citizen and financially and medically qualify, including Medicare Part D beneficiaries who require assistance with their prescription drug co-payments.
www.copays.org
Phone toll-free: 1-866-512-3861

The Together Rx Access™ Card can provide you with savings on prescriptions, if you do not have prescription drug insurance.
www.togetherrxaccess.com
Phone toll-free: 1-800-444-4106

Virginia Drug Card Program gives you and your family access to a free Prescription Drug Card program and savings of up to 75% at more than 50,000 national and regional pharmacies.
www.virginiadrugcard.com

The Access Project website provides information about HIV–related services funded under the Ryan White CARE Act, including the AIDS Drugs Assistance Program. The Care Consortiums are responsible for the planning, development and delivery of HIV related services.

Virginia Community Health Care Centers care for you, even if you have no health insurance. You pay what you can afford, based on income. Health centers are located in most cities and many rural areas and provide:

- Checkups when you're well
- Treatment when you're sick
- Complete care when you're pregnant
- Immunizations and well-child care
- Dental care and prescription drugs
